

Disclosure of Institutional Graduation & Completion Rates 2018

UACCM is pleased to provide the following information regarding our institution's graduation and completion rates. The information is provided in compliance with the Student Right to Know Act of 1990. The rates reflect the graduation, completion and transfer-out status of students who enrolled during the 2014-2015 school year and for whom 150% of the normal time-to-completion has elapsed.

During the fall semester of 2014, 400 first-time, full-time, certificate or degree-seeking undergraduate students entered the University of Arkansas Community College at Morrilton. After 3 years (i.e., as of August 31, 2017), 28% of these students had graduated from our institution or completed their programs and 12% had transferred to other higher education institutions. *(Source: IPEDS: Graduation Rates Survey 2017-2018)*

While reviewing this information, please bear in mind:

- Graduation and transfer-out rates are based on 3 years of attendance that equates to 150% of our longest program.
- Graduation (and transfer-out) rates do not include students who left the school to serve in the armed forces, on official church missions, or in the foreign service of the federal government.
- Students who died or were totally and permanently disabled are also excluded.
