

Disclosure of Institutional Retention Rates 2018

UACCM is pleased to provide the following information regarding our institution's full-time and part-time retention rates. The information is provided in compliance with the Student Right to Know Act of 1990. The rates reflect the retention of students who enrolled during the fall 2016 semester and who either completed a program of study or were still enrolled as of fall 2017. The **cohort** of an institution includes all first-time, degree or certificate-seeking undergraduate students that begin in the stated cohort year.

Full-Time Student Retention

During the fall semester of 2016, 444 first-time, full-time, certificate or degree-seeking undergraduate students entered the University of Arkansas Community College at Morrilton. As of the fall 2017 semester, 239 of these students had either completed a program of study or were still enrolled. Therefore, the full-time cohort retention rate was 54%.

Part-Time Student Retention

During the fall semester of 2016, 116 first-time, part-time, certificate or degree-seeking undergraduate students entered the University of Arkansas Community College at Morrilton. As of the fall 2017 semester, 48 of these students had either completed a program of study or were still enrolled. Therefore, the part-time cohort retention rate was 41%.
