CLERY ACT ANNUAL SECURITY REPORT OF 2017

The University of Arkansas Community College at Morrilton (UACCM) Annual Security Report of 2017 is provided to current students, prospective students, staff, and faculty as part of the College’s commitment to the safety and well-being of the UACCM community. The Annual Security Report is published every year by October 1st and contains three years of selected campus and non-campus crime statistics, and certain campus security policy statements in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f), 34 CFR 668.46)

Enacted in 1990, The Crime Awareness and Campus Security Act was designed to assist students in making decisions which affect their personal safety and to ensure institutions of higher education provide students, prospective students, staff, and faculty the information they need to avoid becoming victims of campus crime. The Higher Education Act of 1998 and the subsequent amendments of the implementing regulations significantly expanded institutions’ obligations under the Act. The Act was also renamed the “Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act” (hereafter the “Clery Act”).

The University of Arkansas Community College at Morrilton's (UACCM) Department of Public Safety (DPS), and administration are committed to providing a risk averse, sustainable, and resilient environment that enhances the learning experience and supports the College's educational mission.

The UACCM DPS understands the unique challenges associated with a college setting, and as such is tasked with providing services that meet law enforcement standards. The DPS consists of 3 full-time state certified police officers,. Officers are constantly patrolling UACCM properties and staffing fixed posts at some facilities. These officers answer calls for service, respond to calls and enforce state criminal and traffic laws.

DEVELOPMENT, DISCLOSURE AND IMPLEMENTATION OF SECURITY POLICIES

The Department of Public Safety (DPS) and the Vice Chancellor for Student Services are the offices designated to ensure that UACCM's safety policies are actively implemented as prescribed. The Vice Chancellor for Student Services and DPS prepare this report in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The Vice Chancellor for Student Services works in conjunction with the Senior Campus Police Officer on an ongoing basis to make certain that administration, faculty, staff, students, and guests are aware of UACCM's safety policies.

IMMEDIATE NOTIFICATION

The procedure regarding immediate notification at University of Arkansas Community College at Morrilton is designed to get relevant information to College students, employees and visitors at any affected UACCM location as soon as possible when an emergency incident occurs that involves a threat to health and safety. The UACCM administration will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students or staff occurring on campus.

The Senior Campus Police Officer or a designee will confirm if there is a significant emergency or dangerous situation and determine necessary notifications. The Emergency Alert System has notification templates that can be modified as necessary and sent to the UACCM community by authorized individuals (these individuals will determine the appropriate segment or segments of the campus community to receive the messages if the threat is limited to a particular building or segment of the population). Immediate notifications are distributed in various ways depending on the nature of the situation and the information to be disclosed. UACCM will use some or all of the following methods of communication: building evacuation alarms, Emergency Alert System (voice and text messages), digital signage, voice commands, email, messages on UACCM website and/or Facebook page, and notifications to the media.

Follow-up information will be available on the UACCM website or any of the communication systems listed above may be used to provide follow-up information to the campus community.

UACCM officials will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

EMERGENCY RESPONSE PROCEDURES

An emergency response and recovery program has been developed to ensure response to and recovery from emergencies of all types and magnitudes and the continuation of College operations following an emergency. The plan is carried out by the Emergency Response Team and the Disaster Recovery/Business Continuity Response Team. The Vice Chancellor for Student Services and Department of Public Safety will be responsible for establishing plan priorities, writing and distributing the plan and training personnel in the plan.

UACCM's first priority when an emergency occurs is employee, student and guest safety and emergency response, and their second priority is disaster recovery and business continuity. This plan encourages the development of high levels of resilience where required and the wise use of resources to assure that when an emergency occurs, UACCM's normal functions continue and, in the case of a major emergency, its mission essential functions are restored as soon as possible followed by the restoration of all College functions.

When a serious incident occurs that causes an immediate threat to the campus, the first responders to the scene are usually the Department of Public Safety along with local Police, Fire and EMS. These first responders typically work together to manage the incident. Depending on the nature of the incident, other UACCM departments and other local agencies could also be involved in responding to the incident.

EMERGENCY EVACUATION PROCEDURES

Students, faculty, staff, and guests are expected to evacuate campus buildings if they hear a fire alarm, if they are notified by first responders, or if the campus administration determines that an evacuation is necessary. All persons will receive information about evacuation and shelter-in-place procedures via one or more of the following: building evacuation alarms, Emergency Alert System (voice and text messages), digital signage, voice commands, email, messages on UACCM website and/or Facebook page, and notifications to the media.

SHELTER-IN-PLACE PROCEDURES – WHAT IT MEANS TO “SHELTER-IN-PLACE”

If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to seek shelter indoors. Thus, to “shelter-in-place” means to utilize the building that you are in as shelter from danger that is outside of the building or in other areas of the building. With a few adjustments, these locations can be made even safer and more comfortable until it is safe to go outside.

BASIC “SHELTER-IN-PLACE” GUIDANCE

If an incident occurs and the building you are in is not damaged, stay inside in an interior room until you are told it is safe to come out. If your building is damaged, take your personal belongings (purse, wallet, UACCM ID Card, etc.) and follow the evacuation procedures for your building (close your door, proceed to the nearest exit, and use the stairs instead of the elevators). Once you have evacuated, proceed to the pre-designated evacuation point or to a safe location. If police or fire department personnel are on the scene, follow their directions.

HOW YOU WILL KNOW TO “SHELTER-IN-PLACE”

A shelter-in-place notification may come from several sources, including the Emergency Alert System (voice and text messages), digital signage, voice commands, email, and messages on UACCM website and/or Facebook page.

HOW TO “SHELTER-IN-PLACE”

No matter where you are, the basic steps of “shelter-in-place” will generally remain the same. Should the need ever arise; follow these steps, unless instructed otherwise by local emergency personnel:

1. If you are inside, stay where you are. Collect any emergency “shelter-in-place” supplies and a telephone to be used in case of emergency. If you are outdoors, proceed inside the closest building quickly or follow instructions from emergency personnel on the scene.
2. Locate a room to shelter inside (see Emergency Information Sign in each building). It should be:
 - a. an interior room
 - b. above ground level
 - c. without windows or with the least number of windows
 - d. if there is a large group of people inside a particular building, several rooms may be necessary
 - e. Shut and lock all windows and close exterior doors.
3. Turn off air conditioners, heaters, and fans.
4. Close vents to ventilation systems as you are able.
5. Turn on a radio or TV and listen for further instructions.
6. Remain calm and make yourself comfortable.

LOCKDOWN

A "Lockdown" is the temporary sheltering technique utilized to limit civilian exposure to an "Active Shooter" or similar incident. When alerted, occupants of any building within the subject area will lock all doors and windows not allowing entry or exit to anyone until the all clear have been sounded. Notice that a "Lockdown" has been issued will be broadcast over the EAS system and by other appropriate means, such as digital signage.

HOW TO LOCKDOWN

The basic steps for how to lockdown will be the same regardless of your location. Follow these steps, unless instructed otherwise by local emergency personnel:

- Try to remain calm.
- Remain indoors, e.g. your office or classroom. Once in "Lockdown" you would be allowed to move about to facilitate certain needs, e.g. bathroom, water; but you should not leave the building unless an all clear has been sounded.
- If not in your typical surroundings, proceed to a room that can be locked.
- Close, and lock all doors.
- Turn off all lights.
- Occupants should be seated below window level, toward the middle of a room away from windows and doors.
- Remain silent.
- Turn off all radios or other devices that emit sound.
- Silence cell phones.
- If gunshots are heard, lay on the floor using heavy objects, e.g. tables, filing cabinets for shelter.
- If safe to do so, turn off gas and electric appliances, e.g. heater, fan, coffee maker, gas valves, lights and locally controlled ventilation systems, e.g. air conditioner. Use phones only for emergency notification to emergency responders.
- Do not shelter in open areas such as hallways or corridors. Go to the nearest office, classroom, lecture hall or auditorium that can be locked.
- A message will be broadcast giving specific locations and directions for entering certain shelter sites.
- Do not unlock doors or attempt to leave until instructed to do so by emergency responders. The "Allclear" will be announced over the Emergency Alert System or other appropriate system when it is considered safe.

THE DAILY CRIME LOG

UACCM DPS maintains a daily crime log that is available to the public at the Public Safety office. The daily crime log discloses all alleged criminal incidents reported to the Department of Public Safety, including non-Clery Act crimes. The Clery Act requires that the daily crime log include specific categories of information which include; 1) the nature of the crime; 2) the date and time the crime occurred; 3) the general location of the crime; and 4) the disposition of the complaint, if known.

An institution may temporarily withhold information from the daily crime log in some cases. There must be clear and convincing evidence that the release of information may: 1) jeopardize an ongoing investigation; 2) jeopardize the safety of an individual; 3) cause a suspect to flee or evade detection; or 4) result in the destruction of evidence.

STATISTICS FROM LOCAL LAW ENFORCEMENT AGENCIES

The Vice Chancellor for Student Services submits an annual request to the Morrilton Police Department requesting specified crime statistics reported to local police agencies that occurred on or immediately adjacent to College owned, controlled, or affiliated property to be reported for inclusion in the annual crime report.

DATA REPORT TO DEPARTMENT OF EDUCATION

Per request by annual letter, the United States Department of Education (DOE) sends a request to the Vice Chancellor for Student Services (VCSS) to submit the crime statistics portion of the Annual Security Report via the Campus Safety and Security Survey web-based system. The VCSS is the Campus Safety Survey Administrator (CSSA). The CSSA or his/her designee enters and submits the College's crime statistics through this survey.

Community members, students, faculty, staff and guests should report all crimes and public safety related incidents including when the victim of a crime elects to or is unable to make such a report to UACCM’s DPS and/or local police departments in a timely manner. Crimes should be reported to the DPS for purposes of making timely warning notices to the community and inclusion in the annual security report. It is the responsibility of DPS to investigate and follow up on all reports of criminal activity on campus. In some cases DPS officers are assisted in their investigations by other area law enforcement agencies. If assistance is required from other police agencies and/or fire departments, DPS will contact the appropriate agency.

Responses to these reports will vary according to the situations. In an emergency, DPS will respond and summon the appropriate resources to assist in the response to the incident. Reported violations of local, state or federal law will be investigated by the Department of Public

For example, if an assault occurs between two students who have a disagreement, there may be no on-going threat to other College Community members, therefore; a Timely Warning Notice would not be distributed. Sexual Assaults are considered on a case-by-case basis depending on the facts of the case, when and where the incident occurred, when it was reported, and the amount of information known by DPS. Timely Warning Notices may be distributed for other crimes as determined necessary by the Director of Public Safety or a designee in his/her absence.

Anyone with information warranting a timely warning should report the circumstances to the Department of Public Safety. All notifications issued will provide general information about the incident as well as crime prevention information that may aid in the prevention of similar occurrences. All Timely Warning notices will be issued in a manner that withholds the names of victims as confidential.

ANNUAL DISCLOSURE OF CRIME STATISTICS

The Annual Security Report is compiled by the Vice Chancellor for Student Services. Crime and arrest statistics for the report are compiled from police reports obtained from the files of UACCM's Department of Public Safety, along with requested information from the Morrilton

Police Department. Student conduct violations statistics are provided by the Vice Chancellor for Student Services.

ACCESS OF CAMPUS FACILITIES

UACCM grounds are open to visitors on a daily basis with tours available through the Office of Admissions. Academic and administrative buildings are locked after normal working hours. Buildings may close earlier when classes are not in session, during holidays, between semesters, and on weekends. Only those persons having legitimate business with members of the college community and their invited guests are permitted in buildings or upon the premises. The College reserves the right to exclude all persons not conforming to acceptable behavior from these premises. Those who disregard this warning are to be considered in violation of criminal trespass under cited Arkansas Code provisions and are liable for prosecution.

CAMPUS LAW ENFORCEMENT

a) Enforcement authority of security personnel, b) working relationship with state and local police agencies, and c) arrest authority of security personnel

UACCM's Department of Public Safety has primary responsibility for maintaining a reasonably safe campus. Specifically, DPS is responsible for crime prevention, law enforcement, parking control, emergency response, policing of special events, and various other community services on campus. DPS police officers have complete police authority to apprehend and arrest anyone involved in illegal acts on campus and areas immediately adjacent to the campus pursuant to A.C.A. 25-17-305. If minor offenses involving college rules and regulations are committed by a student, the DPS may also refer the individual for student conduct violations. All police officers of UACCM's DPS meet state mandated training requirements and are certified by the Arkansas Commission on Law Enforcement Standards.

Although UACCM does not have a formal written memorandum of understanding with all local law enforcement agencies regarding its campus for the purpose of investigation of alleged criminal offenses, joint efforts are coordinated as needed with these local agencies and the Arkansas State Police to investigate crimes as deemed necessary. The prosecution of all criminal offenses, both felony and misdemeanor, are conducted in the appropriate local, state, or federal court. DPS officers maintain working relationships with local law enforcement agencies and have direct radio communications to facilitate rapid response in any emergency situation.

REPORTING OF CRIMES TO CAMPUS POLICE AND LOCAL POLICE

UACCM is committed to providing a safe and secure environment for our students, faculty, staff, and guests. With the support of all members of the College community, there is a continuing effort to keep the campus safe and secure. Because a truly safe campus can only be achieved through the cooperation of all students, faculty, staff, and guests; everyone is encouraged to accurately and promptly report all crimes to the campus police and the appropriate police agencies as soon as they have knowledge of such an event.

CAMPUS SAFETY PROCEDURES AND PRACTICES

Programs are designed to inform students and employees about campus safety procedures and practices and to encourage students and employees to be responsible for their own safety and the safety of others

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own safety and the safety of others. The institution distributes timely warning notices to the campus when a crime poses a serious ongoing threat to the community to keep them aware of safety related issues.

UACCM strives to provide all students, faculty, and staff members with information and education throughout each academic semester which encompasses a variety of topics related to safety. UACCM hosts several events in September in celebration of National Campus Safety Awareness Month. In addition, information regarding campus safety is included in each new student orientation program during the fall and spring semesters

DRUG AND ALCOHOL ABUSE EDUCATION PROGRAMS

A statement of policy regarding possession, use, and sale of alcoholic beverages and enforcement of State of Arkansas underage drinking laws. A statement of policy regarding the possession, use, and sale of illegal drugs and enforcement of Federal and State drug laws. Description of drug or alcohol-abuse education programs, as cross referenced in HEA materials

This policy is mandated by and complies with the provisions of the Drug-Free Schools and Communities Act Amendments of 1989. UACCM conducts annual educational programs on drug and alcohol abuse. Educational materials are provided in various locations at UACCM. Annually, the College makes available to all students and personnel information on procedures for reporting criminal actions, policies concerning campus security, criminal and drug enforcement policies and educational programs, crime prevention programs, and statistics concerning criminal activities on campus. All trainings and educational programs are available for faculty, staff, and students.

Information regarding UACCM's drug or alcohol abuse policies and procedures is included in each new student orientation and new employees are given this information during their orientation. The same information is made available upon request to all prospective students and job applicants.

INFORMATION ON DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT AND STALKING

A statement of policy regarding the institution's programs to prevent dating violence, domestic violence, sexual assault, and stalking. A statement of policy regarding procedures that the institution will follow when one of these crimes is reported

DESCRIPTION OF RELEVANT EDUCATIONAL PROGRAMS

UACCM has a zero tolerance policy for gender-based misconduct to include sexual harassment, discriminatory harassment, domestic violence, dating violence, stalking, and other acts of harassment and/or discrimination congruent with our campus policy.

Sexual assault, sexual harassment, discriminatory harassment, domestic violence, dating violence and stalking are specifically prohibited on the UACCM campus or in connection with any of the programs and activities it sponsors. Students, faculty, and staff committing these offenses, whether on or off campus, may be subject to College disciplinary action as well as criminal action. UACCM new students and employees are required to complete mandatory training concerning all the areas described above.

Through these efforts, students and employees are informed of preventive actions such as the following:

PROTECTING YOURSELF

- Determine what you want and what you don't want and communicate your limits clearly. No one should pressure you into unwanted sexual activity. If you are uncertain about what you want, ask your partner to respect your feelings.
- Know that you have the right and power to say "No" and the right and power to defend yourself against someone who won't listen to you. If you say "No", say it firmly and directly.
- Trust your intuition. If you feel something is wrong, it likely is. Remove yourself from the situation and get to a safe space as quickly as you can.
- Be careful with alcohol and drugs. Some people think that a drunk or stoned companion has automatically consented to sex.
- Attend parties with friends you can trust. Agree to 'look out' for one another. Try to leave with a group, rather than alone or with someone you don't know very well.
- Look for danger signals in a dating relationship. If your partner restricts your activities, isolates you from friends, and displays jealous behavior, he or she may eventually rape and/or beat you. • Talk with your friends about ways you've learned to prevent rape and violence.

PROTECTING YOUR PARTNER AND FRIENDS

- Respect your partner's feelings and needs. Don't pressure anyone to go beyond the limits she or he has set. Listen carefully to your partner and ask for clarification if your partner seems unclear or is giving you a 'mixed message'.
- Respect the person when she or he says "No" to sexual activity and comply. "No" does not mean "Yes"; "No" means "No".
- If you see someone in a vulnerable position, find a non-threatening way to help. Don't ignore a potential case of rape-- get involved if you believe someone is at risk.

- With alcohol and drugs, remember that they can interfere with your ability to assess situations and to communicate effectively. If you have sex with a person under these conditions, the situation could be understood as rape, meaning trauma and legal consequences could result.
- Be careful in group situations- resist pressure from friends to participate in or be subjected to violent or criminal acts.
- Specifically for men, don't make assumptions about a woman's behavior. Don't automatically assume a woman wants to have sex just because she drinks heavily, dresses provocatively, or agrees to go back to your room.

The Arkansas statute of rape is genderless, which means that both men and women can be rape victims and perpetrators. Sexual assault can occur whenever consent is not freely given by the victim; whenever the victim fears that he or she will be injured if he or she does not submit; whenever the victim is incapable of giving consent or resisting due to alcohol or drugs; and whenever the perpetrator uses physical force, threat, coercion, or intimidation to overpower the victim.

In some circumstances, two instances of such behavior may be sufficient to constitute stalking.

SEXUAL ASSAULT: (FEDERAL DEFINITION)

Sexual Assault is defined as: An offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's UCR program. (see full definition listed previously in this report)

CONSENT:

Consent is defined as: (in Arkansas) Consent is clear, knowing and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. - In order to give effective consent, one must be at least 16 years old.

Alcohol or other drug use, unconsciousness or blackout is an example of incapacitation.
 - This policy also covers a person whose incapacity results from mental disability, sleep, involuntary physical restraint, or from the taking of rape drugs. Possession, use and/or distribution of any of these substances, including Rohypnol, Ketamine, GHB, Burundanga, etc. is prohibited, and administering one of these drugs to another person is a violation of this policy. More information on these drugs can be found at <http://www.911rape.org/>
- Use of alcohol or other drugs will never function as a defense to a violation of this policy.
- Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity.
- Previous relationships or prior consent cannot imply consent to future sexual acts.

UACCM PROCEDURES FOR VICTIMS OF DATING VIOLENCE AND/OR DOMESTIC VIOLENCE

RESPONDING TO VICTIMS OF DOMESTIC/DATING VIOLENCE

Domestic violence laws in Arkansas prohibit people from physically injuring family members and household members. Arkansas also makes it illegal to engage in conduct that creates a substantial danger of death or serious injury to a family or household member. Punishment for domestic violence crimes range from misdemeanor penalties to lengthy felony prison sentences.

Arkansas domestic violence laws apply to aggressors and victims who are family or household members. Arkansas defines "family or household members" as:

- current or former spouses
- parents and children
- persons related by blood
- a child living in the household
- persons who currently or previously lived together
- people who have a child together, and
- persons who currently or formerly were in a dating relationship

DOMESTIC VIOLENCE

Domestic Violence is a pattern of abusive behavior in any relationship that is used by one partner to gain or maintain power and control over another intimate partner. Domestic violence can be physical, sexual, emotional, economic, or psychological actions or threats of actions that influence another person. This includes any behaviors that intimidate, manipulate, humiliate, isolate, frighten, terrorize, coerce, threaten, blame, hurt, injure, or wound someone.

Domestic violence can happen to anyone regardless of race, age, sexual orientation, religion, or gender. Domestic violence affects people of all socioeconomic backgrounds and education levels. Domestic violence occurs in both opposite-sex and same-sex relationships and can happen to intimate partners who are married, living together, or dating.

DATING VIOLENCE

Dating violence is a pattern of assaultive and controlling behaviors that one person uses against another in order to gain or maintain power and control in the relationship. Dating Violence is defined as the physical, sexual, or psychological/emotional violence within a dating relationship. It can occur in person or electronically and may occur between a current or former dating partner. Other terms used include: relationship abuse, intimate partner violence, relationship violence, dating abuse, domestic abuse, domestic violence, and stalking.

STALKING

Stalking is a pattern of repeated and unwanted attention, harassment, contact, or any other course of conduct directed at a specific person that would cause a reasonable person to feel fear for his or her safety or the safety of others and/or suffer substantial emotional distress.

If the person who is accused of domestic violence is an employee of UACCM: Human Resources will investigate to see if any further action is necessary.

If the person who is accused of domestic violence is a student at UACCM:

UACCM disciplinary proceedings are detailed in the College Catalog. Possible sanctions imposed for disciplinary purposes against the perpetrators of domestic violence in the event of a finding of "in violation" include expulsion, suspension, dismissal, disciplinary probation, educational sanctions, denial of certain privileges, and counseling. UACCM PROCEDURES FOR RESPONDING TO VICTIMS OF SEXUAL ASSAULT

RESPONDING TO VICTIMS OF SEXUAL ASSAULT

The Arkansas statute of rape is genderless, which means that both men and women can be rape victims and perpetrators. Sexual assault can occur whenever consent is not freely given by the victim; whenever the victim fears that he or she will be injured if he or she does not submit; whenever the victim is incapable of giving consent or resisting due to alcohol or drugs; and whenever the perpetrator uses physical force, threat, coercion, or intimidation to overpower the victim.

If you are a victim of sexual assault, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. You are encouraged to go to a hospital emergency room to receive appropriate medical care and/or evidence collection. UACCM

strongly advocates that a victim of sexual assault report the incident as soon as possible. Time is a critical factor for evidence collection and preservation. If the assault is reported within 72 hours of its occurrence and you cooperate with the police in providing information and evidence, the State of Arkansas pays for the medical examination. Also, if the offense is reported to the police, Victims Compensation can pay for the treatment or other injuries that occurred during the rape. An assault should be reported directly to the Title IX Coordinator, Public Safety, and/or the Counseling & Disability Services Office. Contact information is listed below:

- Vice Chancellor for Student Services: 501-977-2191
- Department of Public Safety: 501-208-7377
- Counseling & Disability Services: 501-977-2095
- You may also contact one of the local police departments by dialing 911.

Filing a police report with an UACCM Public Safety officer will not obligate you to prosecute, nor will it subject you to scrutiny or judgmental opinions from officers. Filing a report if you are a victim of sexual assault will help ensure that you:

- Understand your options
- Are provided with the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet or change clothing prior to a medical/legal exam). You should not disturb the area where the assault occurred.
- Obtain access to confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.
- Receive necessary medical treatment and tests.
- Are advised of the importance of writing down detailed information about the assault – where, when, who, and if the assailant is a stranger to remember his or her height, hair color, scars, and clothing.
- Are advised to seek emotional support from a friend, counselor, or anyone who can help provide that support.

If you are a victim of sexual assault, you may choose for the investigation to be pursued through the criminal justice system and UACCM, or only the latter. A Title IX Coordinator will guide you through the available options and will support you in your decision. These college representatives will provide options for support and will assist you in connecting with community resources, and local police if desired. UACCM has counseling services available for students.

IF THE PERSON WHO IS ACCUSED OF SEXUAL ASSAULT IS A STUDENT AT UACCM:

UACCM disciplinary proceedings are detailed in the College Catalog. Possible sanctions imposed for disciplinary purposes against the student perpetrators of sexual assault in the event of a finding of “in violation” include expulsion, suspension, dismissal, disciplinary probation,

educational sanctions, denial of certain privileges, and counseling. The perpetrator could also be subjected to criminal prosecution in the state courts.

Regardless of whether the person who is accused of sexual assault is associated with UACCM, the college will provide assistance for any employee or student who is a victim. Retaliation against a person for reporting an offense is not permissible.

Employee victims might have the option to make temporary changes to their work assignment, if such change is reasonable available. The Human Resource Office will provide more information on what options are available.

Student Victims have the option to change their academic situation after an alleged sex offense, if such change is reasonably available. The Vice Chancellor for Student Services can provide information about this option and assist you with the process.

PROCEDURES TO FOLLOW IF SEXUALLY ASSAULTED

The Student Right to Know and Campus Security Act requires that students be provided information concerning campus sexual assault programs and the procedures which should be followed once an offense has occurred. Although it may be difficult, it is always best to report a sexual assault (attempted rape or rape, which includes acquaintance rape) to the Department of Public Safety or to the local law enforcement as quickly as possible. Crimes that occur on-campus will be referred to the UACCM DPS for jurisdiction purposes.

In an emergency, an individual should go straight to the hospital or call 911.

The complainant is encouraged to go to a hospital emergency room to receive appropriate medical care and/or evidence collection. These important steps should be taken after a sexual assault:

1. Do not shower, bathe, change clothes, urinate (if possible), brush your teeth or rinse your mouth, change bedding, or disturb the area where the assault occurred (if the assault occurred in your place of residence). Remember, it is important to preserve the evidence.
2. Tell someone. Call a friend, counselor, or anyone who can provide you with emotional support.
3. Seek medical attention. Go to a doctor or hospital as quickly as possible for evidence to be gathered and to be checked for injury.
4. Write down detailed information about the assault – where, when, who, etc. If the assailant is a stranger, try to remember his or her height, hair color, scars, and clothing.

STUDENT'S OPTION TO NOTIFY LAW ENFORCEMENT AUTHORITIES

Sexual assault victims are entitled to certain rights which shall be recognized and provided by all campus student services personnel. Among these are:

- The right to notify proper law enforcement authorities, including on-campus and local police, and the option to be assisted by DPS in notifying such authorities.
- The right to have an incident of sexual assault investigated and adjudicated by the campus conduct system; and the right to full and prompt cooperation and assistance in the campus disciplinary process.

NOTIFICATION OF ON-AND-OFF CAMPUS VICTIM SERVICES

Guidance and assistance for reporting the assault may be received from DPS or the Office of Counseling and Disability Services. Under any circumstances medical evaluation is important because of the possibilities of Sexually Transmitted Diseases and pregnancy.

You can also visit this link for additional community resources, including off-campus counselors for mental health: http://www.uaccm.edu/Current_Student/community_resources.htm

VICTIM ASSISTANCE FOR ACADEMIC OR EMPLOYMENT CHANGES

If a student has been the victim of a sexual assault, UACCM will change the victim's academic schedule after the alleged sex offense if those changes are requested by the victim and they are reasonably available. The Vice Chancellor for Student Services can provide information about this option and assist you with the process. UACCM does not provide on or off campus housing and does not assist with living arrangements.

Employee victims might have the option to make temporary changes to their work assignment, if such change is reasonably available. The Human Resource Office will provide more information on what options are available.

DISCIPLINARY ACTIONS

The UACCM Student Code of Conduct, found in the College Catalog, contains the procedures for campus disciplinary action. The college will conduct an investigation when a complaint is received. The complainant and the respondent are entitled to the same opportunities to be heard. They may both have the same opportunities to have others present as representatives and witnesses if a formal hearing is held and both parties are informed of the outcome in accordance with federal laws.

In addition, to the Student Code of Conduct, UACCM's Sex Discrimination, Sexual Harassment, and Sexual Misconduct Complaint and Grievance Procedures contain all information and procedures for the Title IX campus disciplinary actions.

SANCTIONS

Possible sanctions imposed for disciplinary purposes against the perpetrators of sexual assault in the event of a finding of 'in violation' include a warning, denial of privileges, restriction of activities, dismissal, expulsion, suspension, disciplinary probation, educational sanctions, and counseling. The perpetrator could also be subjected to criminal prosecution in the state courts. Retaliation against a complainant for reporting an offense is prohibited by law.

UACCM will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the

alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

REGISTERED SEX OFFENDERS

The federal Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed by, institutions of higher education. The federal law requires institutions of higher education to issue a statement advising the campus community where information concerning registered sex offenders may be obtained.

Persons convicted of certain sex offenses are required by law to register with the State of Arkansas. A current listing of all registered sex offenders in Arkansas is available at: <http://acic.org/offendersearch/index.php> The web site can be searched by city, county, zip code, or name.
