“MARGIT MEISSNER: SURVIVING THE HOLOCAUST”

UACCM is proud to bring another individual to campus who has survived one of the most horrific events in history: The Holocaust. Margit Meissner will present accounts of her experiences on Thursday, March 11 at 7:00 p.m. in the UACCM Fine Arts Auditorium.

Her detailed account of the incidences surrounding this horrendous time will captivate audiences in a way only a true living piece of history can. 2009’s survivor presentations were standing room only, so guests are encouraged to arrive early. More information on Margit and other survivors can be found at www.ushmm.org.
