Spring Into Spring

Spring is in the air, and that means it’s time for Spring Fling! The annual college event, sponsored by Student Government Association, will be held on Tuesday, April 10 from 10:30 am to 1:30 pm in the Plaza Courtyard. Come join the celebration!

Classes cancelled beginning at 10:30 am – classes resume at 2:20 pm

***Free Food***    ***Live Entertainment***    ***Fun Activities***

Activities include:
- Car Wash
  - $3 minimum for a car wash by UACCM faculty and staff. Technology III parking lot.
  - Proceeds go to the Special Events committee
- Car Bash
  - Take our your frustrations on a vehicle. $2 for 3 swings – bat provided. Gravel overflow parking lot.
  - Just for fun or anger management
- Jail Bail
  - The Computer Information Systems Club will be hosting a “jail” during this year’s Spring Fling gala event. For the low, low price of one single Washington, one-fifth of a fin, one-hundred measly centavos, you can put out a warrant on your enemies (and your friends)!
  - Once a warrant has been issued, the offender will be tracked down by the CIS crack troops and incarcerated for not more than fifteen minutes in the CIS Club lockup. Offenders also have the option of posting bail in the amount of $1.00 to avoid the clink. This is a great way to have fun at someone else’s expense and support a great cause. All proceeds will be donated to the Cystic Fibrosis foundation.
  - “For each day we work, and for every dollar we raise, we are adding tomorrows every day to the lives of those with cystic fibrosis.”

Take Me Out to the Ballgame

**Byte-Sized Eggs**

The Easter Bunny has gone digital! He has hidden UACCM Easter eggs on UACCM’s Web site. Current UACCM students may search the Web site and examine the pages based on daily clues sent out to students’ school e-mail accounts.

The first person to find each egg will win $25 from the Student Government Association. The first two eggs were found by practical nursing major Christina Tracy and business student Kelly Tittle.

To find the eggs, look for hidden links. You will not be able to see the link, but you will know you have found one when your cursor indicates a clickable area. Once you have found the link, click it and you will receive a certificate. Follow the instructions on the certificate to claim your prize.
