Attention: UACCM AAT Early Childhood Education Candidate

An exciting new opportunity for anyone interested in pursuing an Early Childhood Education P-4 Degree!

The University of Arkansas Community College at Morrilton (UACCM) and the University of Central Arkansas (UCA) have entered into a partnership in which 36 credit hours of the UCA Early Childhood Education Program will be offered on the UACCM campus to graduates holding an AAT degree in Early Childhood Education.

Upon completing the Early Childhood AAT, UACCM students may apply for admission into UCA as junior level transfer students, paying UCA fees and tuition. UCA will provide assistance with admission and the financial aid process. The Early Childhood and Special Education department will advise students when they are accepted into the program. After completing the junior level courses offered at UACCM, students will then attend the UCA campus for Internship I (1st semester senior year) courses on the UCA campus followed by Internship II, the student teaching semester, in UCA approved partnership schools. Students who successfully complete this program will graduate with a Bachelors of Science in Education degree in Early Childhood Education, P-4. Click here to see the check sheet.

What does this partnership mean for you?
This is a great opportunity to do an additional year of course work on the UACCM campus!
