

## NEED HELP?

You are not alone on your journey while at UACCM. We provide meaning by offering the following:

- Demands of college classes
- Time management
- Test-taking anxieties
- Study skills
- Personal issues
- Mental health needs
- Accommodation concerns
- Tough career choices

All services are free to UACCM students.

Community Morrilton

## PERSONAL CONCERNS?

Personal and mental health needs are served by a professional counselor and are free. Individual goals and objectives are utilized to help you achieve success in life and college.

---

**If you are experiencing a personal crisis, please visit our office at Business Technology Center Room 204.**

---

## ACCESSIBILITY NEEDS?

Disability services removes barriers to ensure equal access in the classroom and on campus.

### STUDENTS MUST DO THE FOLLOWING:

- Initiate the process as soon as possible.
- Complete disability intake.
- Articulate accessibility needs.
- Provide documentation as needed.
- Remain involved in the process.

## ACADEMIC PROBLEMS?

Educational counseling will assist students with the following academic issues:

- Success strategies
- Time management
- Organization
- Study skills
- Stress or test anxiety

We will help determine your learning style(s)

## WHAT WILL I BE?

Deciding upon a career can be confusing and stressful. If you're unsure what plan of study to pursue, we will help match your abilities, aptitudes, interests, and values to potential career areas.

### CAREER COUNSELING GOALS:

- Understand your unique personality
- Determine your skills and abilities
- Match careers to your unique traits
- Discover the requirements and benefits of chosen careers
- Discuss any personal or life conflicts related to your career choice

---

**“The career reports I received helped guide me in the right direction.”**
