

## UACCM CAREER CENTER

### *HEALTH-RELATED OPTIONS*

The Nursing Assistant course combines classroom instruction with clinical experience. Students will be prepared to provide competent, skilled nursing care in a compassionate manner to residents of long-term care, hospice, and hospital facilities. Upon successful completion of Nursing Assistant with a C or higher, students are eligible to take the state competency exam. Upon successful passage, student will be eligible to become certified nursing assistants. Students who complete NUR 1004 Nursing Assistant, BIOL 2004 Human Anatomy and Physiology I, and BIOL 2014 Human Anatomy and Physiology II with a C or higher are eligible to apply to the practical nursing program at UACCM after completing high school.

The Emergency Medical Technician course is an introduction to the study of emergency medical services and the basic principles, procedures, and techniques of pre-hospital emergency care. Course content includes medical, legal, and ethical topics; patient assessment; medical and traumatic injuries; emergencies with emphasis on life-threatening conditions; airway and ventilation skills; cardiopulmonary resuscitation; and spinal immobilization and splinting. Instruction includes a minimum of 120 contact hours of lecture and 48 hours of clinical practice, which includes 16 hours in the emergency room setting and a minimum of 14 emergency calls with an ambulance service. The course is based on the National Standard Curriculum Guidelines as developed by the Department of Transportation.
