

PRACTICAL NURSING APPLICATION AND PROGRAM INFORMATION

The UACCM Practical Nursing Program is approved by the Arkansas State Board of Nursing, University Tower Bldg., 1123 South University, Suite 800, Little Rock, AR 72204-1619, 501-686-2700. The 18-month program prepares graduates for the NCLEX PN licensure exam and entry level competency as a Licensed Practical Nurse (LPN). It combines classroom and clinical practicum instruction. Eligible students enter the program each January and August following an application and selection process.

The curriculum is comprised of 12 pre-requisite credits and 45 practical nursing credits. Students who successfully complete the program with a grade of “C” or higher in all course work earn a Technical Certificate. Graduates who meet Arkansas State Board of Nursing requirements are eligible to apply for the National Council of Licensure Examination for Practical Nurses (NCLEX-PN) to become a Licensed Practical Nurse.

Only those applicants who meet ALL admission selection criteria will be considered for admission. All applications must be submitted online. Applications and Nursing Entrance Exam (NEX) information and dates are available on the UACCM website. www.uaccm.edu/academics/nursing/pn_admission.html

APPLICATION AND TESTING DATES:

Applications for Fall admission accepted: January 1 – April 1

NEX testing dates: January 1 – April 1

Applications for Spring admission accepted: July 1 – October 1

NEX testing dates: July 1 – October 1

PLEASE NOTE:

Any applicant seeking transfer credit for pre-requisite courses must submit official transcript(s) to the college in a timely manner. Applicants who are lacking official transfer credit for pre-requisite courses may not enter the program.

Applicants to the PN program should be aware that potential bars for licensure are set forth by ACA §17-87-312 & ACA 17-3-102. Acceptance in and completion of a nursing program does not guarantee the ASBN will grant approval to take the licensure examination. Potential bars for licensure are addressed in this document on page 4.

- Perform mathematical calculations for medication preparation/administration.
- Communicate effectively, both orally and in writing, using appropriate grammar and vocabulary and penmanship with classmates, faculty, and members of the community.
- React appropriately under stressful situations.
- Demonstrate evidence of critical thinking in various settings.
- Demonstrate gross and fine motor dexterity.
- Participate effectively in group activities.

POTENTIAL BARS FOR LICENSURE AS A NURSE

The Arkansas State Board of Nursing (ASBN) and Arkansas law requires applicants for initial licensure to submit a state and federal criminal background check. Graduating from a nursing program does not assure ASBN approval to take the licensure examination. Eligibility to take licensure examination is dependent on meeting requirements set forth by the ASBN Nurse Practice Act and Rules. If an applicant has pleaded guilty, nolo contendere to, or been found guilty of any offense listed in ACA §17-3-102, he/she is not eligible for Arkansas licensure. ACA §17-3-102 provides an opportunity to request a waiver of eligibility criteria related to a criminal background in certain circumstances. Additional information and the full list of offenses listed in ACA §17-3-102 is available at
